

## British Schools Gymnastic Association South East Region

Due to the new General Data Protection Regulations the BSGA entry forms only require schools to provide the names of any students that will compete.

The competition rules clearly state that it is important that we ensure all gymnasts are entered into the correct age category. Schools are now therefore required to provide a signed declaration form from the Headteacher/Deputy Headteacher of the school to confirm that the school's entry is correct and abides by all rules and regulations.

### DECLARATION

Name:

Position:

School:

I confirm that this entry abides by all competition rules and regulations, and that all students are entered into the correct age category.

Signed: ..... Date: .....
